Helen and Cindy to meet with representatives of YFC to discuss working together in future. Recommendation is that FADS work with YFC re rehearsals and performances but that Menzies Hall Committee oversee and manage any after show arrangements. Green room cupboards to be locked securely and everything to be put away. Damage to wall in lesser hall and carpet cleaning costs to be met by YFC. Silver curtain unable to be used following further damage during performances, contribution towards replacement to be asked for from YFC HELEN to contact YFC

The heavy metal back drop bar dangerous, and needs replaced by lighter weight one JONNY
